

GO Real-Time Reusable

Temperature, location and security

Recharge for Visibility and Safety of Extended Shipments

GO Real-Time Reusable is a temperature monitoring solution that does not require fixed installation or hardware maintenance, with continuous coverage for your products over the road. The reusable solution is designed for customers who would like to reuse the same tracker on multiple shipments.

The GO Real-Time Reusable Tracker senses light when doors are opened and alerts you when your products are at risk on the road.

Oversight Dashboard & Mobile App

Comprehensive and automated reporting is provided through the Oversight Dashboard and the Oversight Mobile app. Data is encrypted, providing security as it moves to the cloud. Information is at your fingertips while you are on the go with Oversight Mobile. Check status and create shipments direct from a phone or tablet. View current maps, graphs, and charts of key shipments including temperature, security, and location details. Shipment summary reports include additional details such as device serial number, trip name and duration, mean kinetic temperature, and time above or below range. The Oversight Mobile app is available in English, Chinese, Spanish, Italian, German, Portuguese, Turkish and French.

An easy-to-use system to monitor your loads

Rechargeable battery

Protect your product in-transit

Global visibility with email/text alerts

Access to temperature reports before final delivery

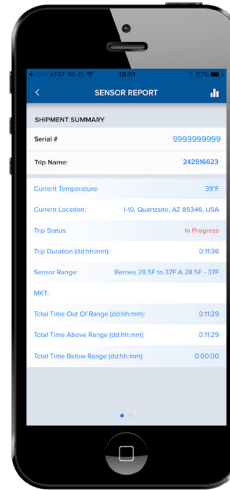

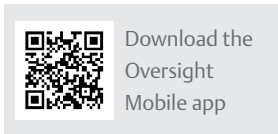

Recycle with GO GreenSense™

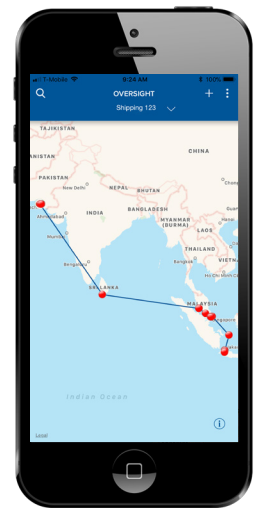

Technical Specifications

- Backup Memory:** Up to 30 days of continuous 60-minute temperature measurements when outside cellular range
- Battery Life:** Up to 60 days operation with 6-minute location and temperature measurements
- Battery:** 5400 mAh battery size
- Certification:** FCC, IC, PTCRB, CE, Anatel
- Cellular:** 850/900/1800/1900 MHz Quadband GSM/GPRS
- Humidity:** -20% to 90% operation, 10% to 95 storage
- Temperature Range:** -4° F to 158° F (-20° C to 70° C) operating environment
-49° F to +185° F (-45° C to +85° C) storage
- Size:** 3.07 in x 2.05 in x 1.38 in
(78 mm x 52 mm x 35 mm)
- Weight:** 0.30 lbs (136 g)
- Recycle Options:** GO GreenSense™ Program
- Oversight Dashboard:** Emerson.com/Oversight
